Getting Started with Libby

1. Install the Libby app from your device's app store.
2. Open the app and find **Lakeland Library Cooperative (LLC)**. You can search by library, city, or zip code.

3. Browse your LLC's collection and borrow a title. When prompted, sign in. You will need a valid library card to complete this step.
4. Borrowed titles appear on your SHELF and download to the app automatically so you can read them when you are offline.

From your SHELF you can:

Tap **START READING** or **START LISTENING** to open a title.

Tap the cover image, then **SEND TO DEVICE** to send a book to Kindle.

- Sign in to multiple libraries, with one or more cards for each library.
- Download books and audiobooks for offline reading, or stream them to save space.

- If you prefer reading on your Kindle, Libby can send your library books to it. (U.S. libraries only.)
- All your loans and holds are consolidated on a single shelf.
- Keep track of your reading history in the Activity tab.
- Positions, bookmarks, and notes are kept in sync across your devices.

- Sample any book with a tap — nothing to download or delete.
- Try a zoomable graphic novel, or a picture book with readalong audio.
